

Hokkaido University - National Central University Joint Symposium on Materials Chemistry and Physics 2019

December 12-13th, 2019

**Seminar room 2,
Frontier Research in Applied Sciences Building,
Faculty of Engineering, Hokkaido University**

Invited Speakers

Prof. Ya-Sen Sun, National Central University, Taiwan

Probing Block Copolymer Nanostructures Supported on a Solid Substrate with Grazing Incidence Small Angle X-ray Scattering

Prof. Tetsu Yonezawa, Hokkaido University, Japan

Preparation and Characterization of Percationic Gold Nanoclusters

Assis. Prof. Takuya Isono, Hokkaido University, Japan

Self-Assembly of Oligosaccharide-Containing Block Copolymers

Program

Dec. 12th

10:00- Campus tour and Lab. Visit

17:30-19:30 Banquet (Restaurant ELM)

Dec. 13th

13:20-13:30 Opening remark

13:30-14:00 Invited Lecture by Prof. Ya-Sen Sun

14:00-14:30 Invited Lecture by Prof. Tetsu Yonezawa

14:40-16:10 Student Poster Presentation

16:20-16:50 Invited Lecture by Assis. Prof. Takuya Isono

16:50-17:00 Poster awards/Closing remark

18:00-20:00 Dinner

Contact: Toshifumi Satoh E-mail: satoh@eng.hokudai.ac.jp

Deadline for registration of poster presentation: Nov. 25nd

Organizers: Faculty of Engineering, Hokkaido University, and Graduate School of Chemical Sciences and Engineering (CSE), Hokkaido University

Co-organizers: Frontier Chemistry Center (FCC), Hokkaido University, Hokkaido branch of the Society of Polymer Science, Japan

Committee: Laboratory of Polymer Chemistry, Division of Applied Chemistry, Faculty of Engineering, Hokkaido University, Phone: 011-706-6602
