

Korea –Japan Joint Symposium

Recent Trends of Polymeric and Selfassembling Materials and Their Application to Biotechnology

Date: February 8 (Wed), 2012

Place : Kitakyushu Science and Research Park Collaboration Center (2nd Seminar Room L)

Presenters

Joon Won Park (POSTECH)

In Su Lee (POSTECH)

Shigenori Fujikawa (Kyushu University)

Young Min Rhee (POSTECH)

Won Jong Kim (POSTECH)

Tetsuji Yamaoka (National Cerebral and Cardiovascular Center Research Institute)

Hugh I Kim (POSTECH)

Wonho Kim (Pusan National University)

Shinichi Yusa (University of Hyogo)

Jong Seung Park (Dang-A University)

Atsushi Maruyama (Kyushu University)

Hyun Jong Paik (Pusan National University)

Sponsorship

Biomedical Material Center of Univ. of Kitakyushu

The Society of Polymer Science, JP, Kyushu Branch

Kitakyushu Foundation for the Advancement of Industry Science and Technology

access

The University of Kitakyushu (hibikino campus)

<http://www.kitakyu-u.ac.jp/env/access.html>

Symposium Chair

Prof. Kazuo Sakurai, University of Kitakyushu, Japan

Prof. Atsushi Maruyama, Kyushu University, Japan

Prof. Joon Won Park, POSTECH

Conference Fee

Free, Wine Party at cost

Contact
