

Guide for all presenters at the 70th Symposium on Macromolecules

1) System

You will make your presentation using Webex Meeting

Please check internet speed, Webex application and your devices before the meeting.

Your mail address for joining the Webex Meeting is same as the address when you registered in the meeting

2) Participant Name

Format of Participant Name is your presentation number: Name (Affiliation) as 1A03IL John Smith (SPSJ Univ).

Please set your Participant Name before joining the meeting. (Refer to other guide)

3) Enter the online venue

Log in the website of the 70th Symposium on Macromolecules (<https://member.spsj.or.jp/convention/tohron2021/>)

Room List will be displayed in the Web abstract (From 6 to 8 September)

You can access each linked room from the Web abstract by online.

Please access directly to above URL not via SPSJ web page.

4) How to make your presentation

Session time is 25 minutes (15 minutes for your presentation, 9 minutes for Q & A, 1 minute for preparation next presentation)

1 bell = 3 minutes before the end of your presentation (12 minutes have passed),

2 bells = the end of the presentation (15 minutes have passed)

3 bells = the end of the Q&A (24 minutes have passed).

Session International /Session Lecture

Session time is 50 minutes (40 minutes for your presentation, 10 minutes for Q & A)

1 bell = the end of the presentation (40 minutes have passed)

2 bells = the end of the Q&A (50 minutes have passed).

Invited /Award Lecture

Session time is 50 minutes (45 minutes for your presentation, 5 minutes for Q & A)

1 bell = the end of the presentation (45 minutes have passed)

2 bells = the end of the Q&A (50 minutes have passed).

Please be careful not to exceed the presentation time.

- Enter the room 30 minutes before the start of session, and when the presentation time approaches, launch the presentation materials on your own PC and wait.
- Please stop other applications such as e-mail during the presentation.
- The chair will tell the presenter to prepare your presentation. After that, you turn on the microphone and camera and share the presentation materials.
- You will start your presentation after the chair's instruction.
- When Q&A is over, the chair will tell you to stop sharing the presentation materials and turn off the microphone and camera.

5) Q&A

- Q&A will be done using microphone by online.
- The chair asks any questions.
- The chair nominates questioner and the questioner unmute the microphone and asks a question.
- The presenter will answer to the question.

6) Access test and Preview test

- Please test your devices and communication via Webex Meeting before the symposium on macromolecules.

- In the term of the symposium on macromolecules, there are rooms for preview test. SPSJ staff will help your problem in the room.

7) Trouble shooting

- If you cannot enter the room in time for your presentation due to internet or PC trouble, please contact SPSJ immediately and tell the presentation number and the status
- Even if you are in the presentation room, the presentation will be treated as canceled if you cannot make a presentation at the presentation time. The cancellation of presentation will be posted on the WEB proceedings.

In case of rescheduling of presentations, the chair or venue manager decide it considering time schedule. However, SPSJ does not guarantee the rescheduling.

- If you want to cancel the presentation or change the presenter due to the presenter's trouble, please contact SPSJ staff as soon as possible.
